

## IBM CLOUD:

The screenshot displays the IBM Cloud Dashboard in a web browser. The browser's address bar shows the URL `cloud.ibm.com`. The dashboard interface includes a top navigation bar with a search bar and links for 'Catalog', 'Manage', and the user's account. A left sidebar contains icons for various cloud services. The main content area is titled 'Dashboard' and features a 'For you' section with several recommended actions, each with a 'Getting started' button and a time estimate. Below this, there are four panels: 'News', 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status'. The 'IBM Cloud status' panel includes a world map. The bottom of the screen shows a Windows taskbar with the date and time set to 03:07 on 18-11-2022.
